

# FASTBACK 9 IDEAL BINDING MACHINE

Small footprint, one touch binding

WE VALUE YOUR DOCUMENTS

## FASTBACK 9

The versatile Fastback 9 is the most compact and affordable binding machine in its class. Ideal for all workplaces, its desktop footprint is small enough to fit in the most cramped conditions. In spite of its size and price point, the Fastback 9 is a powerful machine that binds from 10 to 250 sheets and is perfect for short-run and occasional jobs. Featuring one-touch binding. Simply put the strip and the book block into the machine and press the green button. The user-friendly interface makes choosing the correct strip setting fast and easy. Best of all is the ability to create your own unique binding strips called Image Strips, allowing you to transform the plainest black-and-white document into something special.
